

LIMITED FIVE YEAR* WARRANTY

Effective March 1, 2020

Upon registration of the tool by the original owner within fourteen (14) days of purchase from a TapeTech Tools or Asgard Tools (the SELLER) Authorized Dealer, SELLER warrants that all ASGARD tools will be free from defects in material or workmanship for a period of five (5) years* from date of purchase. Tools purchased from an Authorized Dealer but not registered within fourteen (14) days of purchase are warranted for one (1) year. Valid proof of purchase receipt from an Authorized Dealer may be required to register your tool and make a claim under this warranty.

SELLER'S SOLE OBLIGATION under this Warranty and, to the extent permitted by law, any warranty or condition implied by law shall be the repair or replacement of parts, without charge, which are defective in material or workmanship. At the SELLER'S sole discretion, a replacement tool may be supplied if original tool is found to be unrepairable, in which case, the original warranty term will remain in effect for the replacement tool. The limited warranty does not cover the following wear parts; taper cables and pyramid blades, finishing box blades, skids, clips and rubber wheels, corner finisher blades, nail spotter blades, flusher frames and skids, any and all rubber seals, gaskets, needles, O-rings, nyliner bearings, springs and screens. This warranty is void if the tool has been damaged by accident, in shipment, misuse, neglect, improper service, installation of non-TapeTech/ASGARD parts, unauthorized modifications or repaired by persons other than TapeTech Authorized Service Centers.

To make a claim under this warranty, you must return the complete tool to TapeTech Tools through the TapeTech ProService program or, transportation prepaid, to an Authorized Warranty Repair Center.

CUSTOMER'S RESPONSIBILITY under this Warranty begins on the date of customer purchase. Warranty is not transferable. For your convenience, keep your dated bill of sale as evidence of the purchase date. You are required to present your bill of sale to the service center to obtain warranty repair. Please include a brief statement indicating the nature of the problem. IN NO EVENT SHALL TAPETECH TOOL COMPANY BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGE, DELAY IN RENDERING OF SERVICE, OR LOSS OF USE DURING THE PERIOD IN WHICH THE TOOL IS AT THE REPAIR CENTER OR OTHERWISE AWAITING REPAIR OR PARTS. ASGARD TOOLS PURCHASED FROM UNAUTHORIZED RESELLERS, UNAUTHORIZED THIRD PARTIES OR THROUGH UNAUTHORIZED RETAIL CHANNELS ARE NOT COVERED UNDER THE WARRANTY. This warranty gives you special legal rights and you may also have other rights, which vary from state to state. Some states do not allow exclusion or limitations of incidental or consequential damages or limitations on how long any implied warranty may last, so the above exclusions and limitations may not apply to you.
